

HALF NOTE SOLOING

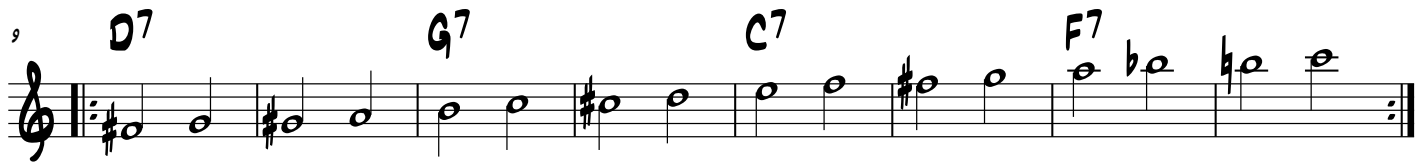

OVER THE BRIDGE OF "RHYTHM CHANGES"

FROM DIGGING DEEPER JAZZ VIDEO #18

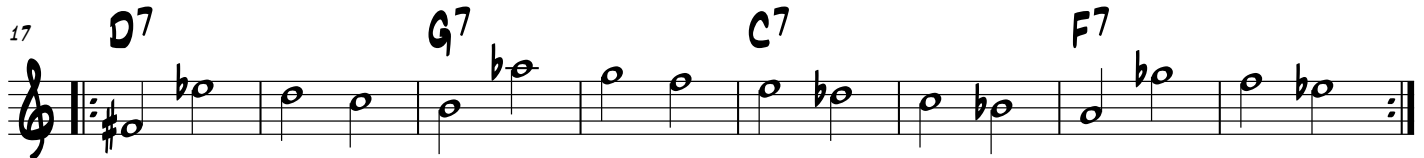

Just using the 1 - 3 - 5 - b7 of each chord, looking for good resolutions between the chords.

Using a classic lick, playing between the 3rd and 5th of each chord. A bit more chromatic.

Using a classic lick/shape, jumping from the 3rd to the b9. A bit more angular.

Using 1 - 3 - b5 - b7. Introducing the #11/b5 sound, and how that notes likes to resolve.
