

ENCLOSURES

GROUPINGS OF THREE

Below (#1) is the "standard" enclosure that we've been working on (diatonic note above, half step below, then triad target note). It has a nice "start and stop" rhythmic feel to it.

#1

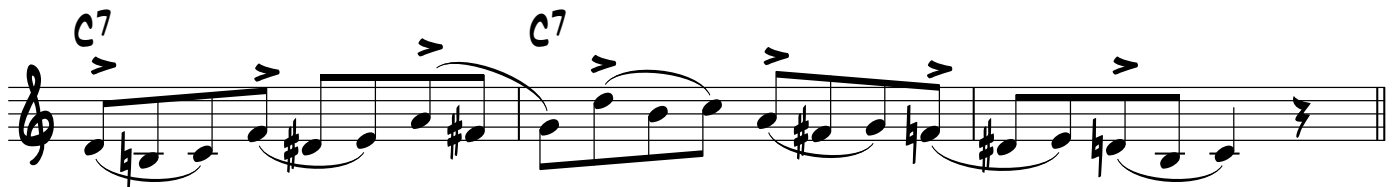

4/4 C7

This musical notation shows a C7 chord in 4/4 time. The melody consists of a series of eighth notes: C4, D4, E4, F#4, G4, A4, B4, A4, G4, F#4, E4, D4, C4. The notes are grouped in threes, with a diatonic note above, a half step below, and a triad target note. The notation includes a treble clef, a key signature of one sharp (F#), and a common time signature of 4/4. The notes are marked with a 'v' above them, indicating a specific articulation or emphasis.

Below (#2) is the same enclosure (diatonic note above, half step below, then triad target note) but with a different rhythm. Here, we put everything into 8th notes, which gives us a nice melodic grouping of three 8th notes. It sets up a nice polyrhythm.

#2

4/4 C7

This musical notation shows a C7 chord in 4/4 time. The melody consists of a series of eighth notes: C4, D4, E4, F#4, G4, A4, B4, A4, G4, F#4, E4, D4, C4. The notes are grouped in threes, with a diatonic note above, a half step below, and a triad target note. The notation includes a treble clef, a key signature of one sharp (F#), and a common time signature of 4/4. The notes are marked with a '>' above them, indicating a specific articulation or emphasis.
