

THE ASTERISK EXERCISE

FROM DIGGING DEEPER VIDEO #57

Here, we are solving the problem of how to get the jazz vocabulary that we are currently practicing into our soloing. What is the best, fastest, deepest, stickiest way to get new material we are working on into our actual "in the moment" playing? After more than three decades of performing and teaching, I can honestly tell you that THIS IS IT!

Step #1 - What Are You Working On?

Step #2 - Pick Your "Laboratory" (today, the Bb Blues)

Step #3 - Assign Your Spots (Asterisk)
